

DDI- 7947/83

3 November 1983

MEMORANDUM FOR: Director of Central Intelligence  
THROUGH : Director for Intelligence  
FROM :  25X1  
Director, Office of European Analysis  
SUBJECT : Conference on Poland

1. The East Europe Division of this Office has organized a conference to discuss Poland's political and economic prospects over the next several years. More than a dozen knowledgeable specialists have agreed to share their assessments and to participate in discussions with representatives of the intelligence and policymaking communities. (See Attachments)

2. The conference will be held at the Quality Inn, Pentagon City on 1 and 2 December. You are cordially invited to a reception at the Quality Inn for the consultants on Wednesday evening, 30 November (6:00-8:00 PM). In addition, we would like to arrange a short executive session at the conclusion of the conference (5:00-5:30, 2 December) to acquaint you with some of the findings and to allow you to discuss the issues with the consultants.
